5801 Cavendish Boulevard, on Monday, December 14, 2020, at 8:00 p.m. at which
were present:

Mayor Mitchell Brownstein, B. Comm., B.C.L., L.L.B

Councillor Sidney Benizri

Councillor Dida Berku, B.C.L.

Councillor Mike Cohen, B.A.

Councillor Steven Erdelyi, B.Sc., B.Ed.

Councillor Mitch Kujavsky, B. Comm.

Councillor Oren Sebag, B.Sc. RN MBA

Councillor David Tordjman, Eng.

ALSO PRESENT:

Ms. Tanya Abramovitch, City Manager

Ms. Nadia Di Furia, Associate City Manager

M^e Jonathan Shecter, Co-City Manager Director of Legal Services and City
Clerk

M^e Jason Prévost, Assistant City Clerk

WHEREAS a notice of motion for the present by-law was given at the Regular Sitting
of Council on November 9, 2020;

WHEREAS the Côte Saint-Luc City Council (“Council”) instituted a Water Filter
Rebate Programme (“Programme”) by which the City of Côte Saint-Luc (“City”) provides a rebate towards the purchase of water filters to every single-family home and duplex built prior to 1976, which are located in the areas in which the City believes there are water service lines made of lead.

THAT it be ordained and enacted by By-law 2554-1 entitled: “By-law 2554-1 amending By-law 2554 entitled : “By-law 2554 instituting a water filter programme” in order to amend the amounts of the rebate provided by the programme” as follows:

ARTICLE 1

Article 1 of By-law 2554 is hereby amended and replaced by the following text:

“That council hereby institutes the Programme, the whole as per the document entitled: “Terms and conditions of the Programme - Revised” annexed herewith as Annex A”

Article 3 of By-law 2554 is hereby amended showing the following changes:

“That funds will be allocated in the operating budget to cover eligible rebates on an annual basis until the Programme is terminated.”

ARTICLE 2

This by-law comes into force according to the law.

Annex A

TERMS AND CONDITIONS OF THE PROGRAMME - REVISED

As of the coming into force of the present by-law, the City of Côte Saint-Luc will provide a rebate towards the purchase of water filters to every single-family home and duplex built prior to 1976, which are located in the areas in which the city believes there are water service lines made of lead. To apply for the rebate, applicants must fill out the form provided in Annex B of the present by-law. The rebate can only be applied to purchases from October 1, 2019, onward. The filter must be certified NSF/ANSI 53 or NSF/ANSI 58 for the removal of lead.

The rebates are as follows:

- 1) Up to \$50.00 for residents that purchase NSF-053 filters to reduce lead in drinking water (see below);
- 2) Up to \$200 for residents that purchase a NSF-058 filter including a Reverse Osmosis (RO) system that connects to your plumbing under the sink and uses a membrane filter to reduce lead (also can reduce minerals/Total Dissolved Solids).

The NSF-053 filter can be any of the following:

- **Pour-through pitcher/carafe**: Water drips through a filter in a water pitcher using gravity.
- **Faucet mount**: Mounts on kitchen faucet. Uses diverter to direct water through a filter.
- **Counter-top connected to sink faucet**: Connects to existing sink faucet through a hose/tubing.
- Plumbed-in to **separate tap** or to **kitchen sink**: Installs under a sink; filtered water is usually dispensed through a separate faucet directly to the kitchen sink.
- **Refrigerator filter**: Installed in your refrigerator and typically dispensed through the refrigerator door.

DRAFT BY-LAW NO. 2554-1

BY-LAW 2554-1 AMENDING BY-LAW
2554 ENTITLED: "BY-LAW 2554 INSTITUTING
A WATER FILTER REBATE PROGRAM" IN
