

# Your new black bin is coming soon

This new black bin replaces the container you were previously using for your garbage. You can use this black bin as soon as you receive it. The new black bin has many benefits. It can be emptied into the garbage truck using a lift, making the collection faster and safer. Garbage bags will be in a closed container. Finally, the wheels will make it easier to roll the black bin to the curb.

## REMINDERS

1. Put your garbage bags *inside* your black bin, not on the side. Items placed on the side will not be collected.

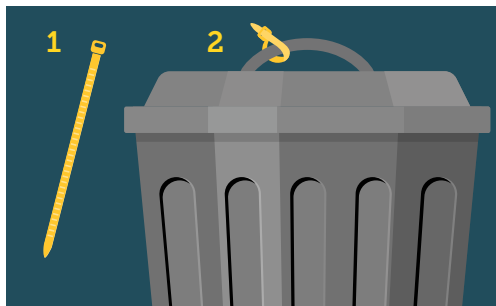

2. Place your black bin at the curb on collection day. It must be at least 1 metre away from other bins, cars or other objects. Do **not** place your black bin on the sidewalk or street.

3. Make sure the lid is fully closed.

## How to dispose of your old garbage bin

If you no longer want your old garbage bin, here is how to dispose of it:

1. Take the yellow zip tie included in this black bin package.
2. Place the yellow tie around any handle of your old garbage bin.
3. Place the old **empty** garbage bin at the curb during the periods listed below:
 

<b>District 1:</b> Aug. 16	<b>District 5:</b> Aug. 23 to 30
<b>District 2:</b> Aug. 16 to 17	<b>District 6:</b> Aug. 16 to 23
<b>District 3:</b> Aug. 16 to 20	<b>District 7:</b> Aug. 20 to 25
<b>District 4:</b> Aug. 19 to 24	<b>District 8:</b> Aug. 24 to 27
